# A WORD ABOUT SHRI SAT PAUL MITTAL

**Our Fountainhead of Inspiration**

**Late Sh. Sat Paul Mittal, MP**

**Founder Chairman, IAPPD**

Shri Sat Paul Mittal, started his political career when he was a student. He was actively involved in addressing problems concerning the youth. In 1958, Pandit Jawahar Lal Nehru picked him as Deputy Leader of the Indian Youth Delegation to the former Soviet Union where he met top Soviet leaders including the then Prime Minister Nikita Khrushchev.

An excellent orator and a keen debater, Shri Mittal gained prominence in Punjab's legislative circles in 1961 when he was elected to the Legislative Council. He became Deputy Minister for Home in Punjab. He was elected twice to the Rajya Sabha for a term of six years each in 1976 and 1982. Further, President of India nominated him as a member of the Rajya Sabha in appreciation of his contribution to the public causes especially his dedication to the cause of the downtrodden and towards population issues globally.

Throughout his political career, Shri Mittal was part of several industry associations and policymaking bodies and served as Member of Parliament; Chairman, Indian Association of Parliamentarians on Population and Development (IAPPD) and Centre for Parliamentarians on Population and Development (CPPD); Founder, Secretary General and Vice Chairman, Asian Forum of Parliamentarians on Population and Development (AFPPD); Secretary General Emeritus, Global Committee of Parliamentarians on Population and Development (GCPPD); Co-Chairman, Global Forum of Spiritual and Parliamentary Leaders on Human Survival; Chairman, Parliamentarians Action for Removal of Apartheid (PARA-India); President, Nehru Sidhant Kender Trust (NSKT); Vice President, Punjab Pradesh Congress Committee (PPCC); Member, All India Congress Committee (AICC); Member, Indian Council of World Affairs (ICWA) and Member, Advisory Panel of Indian Council of Cultural Relations (ICCR) for South and South-East Asia.

As Chairman of IAPPD, he took upon himself the daunting task of tackling the problems of population facing the country and made it a peoples' movement. He single-handedly established the Centre of Parliamentarians on Population and Development involving all

Parliamentarians irrespective of their political affiliation. Unique in Asia, the Centre catered to ideological orientation courses, seminars and data information on population, development and related subjects.

Shri Sat Paul Mittal's perseverance and zeal in promoting new ideas on population control, world peace and development were recognized world-wide when the United Nations Secretary General, Mr. Javier Perez De Cuellar, decorated him with the prestigious United Nations Peace Medal in 1987.

He organized several National and International conferences which involved spiritual and parliamentary leaders as he believed that they could influence communities. He spoke passionately at the historic Global Survival Conference at Oxford in 1988 and in Moscow in 1990 and made valuable suggestions for human survival and sustainable development.

He was equally concerned about apartheid in South Africa. He organized a conference of parliamentarians from several countries in Delhi where a joint declaration was made condemning apartheid. It was presented to the Indian Prime Minister. Shri. Rajiv Gandhi, the then Prime Minister appreciated his Shri Mittal's efforts.

At a prayer meeting held in Shri Mittal's memory on January 24th 1992, the then Prime Minister, Shri. P.V. Narasimha Rao described Shri Mittal as a man of very strong will power who was passionately involved in activities related to population and development and had observed that Shri Mittal's presence at any meeting would ensure that a balanced result would emerge out of the discussions.

Posterity will gratefully remember the significant contribution made by him in giving direction to the parliamentary movement in promoting basic awareness and understanding of population and human survival issues in the world.

## MESSAGE FROM THE CHAIRMAN

“It is not the honour that you take with you, but the heritage you leave behind.”

Like the vibrant colours of a canvas, the Satyan Alumni has painted the whole wide world with hues of hope, success and glory. The school shares an affable and emotional bond with the alumni and takes pride in the fact that they have brought name and fame for themselves as well as for the school. The school celebrates their achievements and values their association. They are the embodiment of the values that the school stands for.

The Alumni Directory is a testimony of the trust and love we bestow upon them. As a powerful resource of our institution, this directory is a stepping stone to build a vibrant symbiotic network of entrepreneurs, innovators, influencers and philanthropists. This directory will work as an extended family where all of us can seek each other's support irrespective of being

in any part of the world and pave the way for the foundation of a camaraderie of which we can all be proud.

A close rapport with all of you will ensure constant improvements to the institution in setting exemplary standards of services to our present and future student community.

I thank you all from the depths of my heart and look forward to your contribution to make your alma mater a beacon of light that the world emulates! Your active and continued participation will enable us to march ahead in unison towards a new horizon of achievements.

Stay blessed always! Once a Satyan always a Satyan!

## MESSAGE FROM THE VICE CHAIRMAN

Dear Satyan Alumni,

To be a Satyan alumnus must be a joy and an honour. You are part of an exclusive lot that got an opportunity to study in a school like Sat Paul Mittal School- an opportunity coveted by so many.

You have had the best of teachers teaching you, while life learnings were instilled in you by the school ecosystem. You will carry a whole bunch of bittersweet memories all through your life, while your dreams should keep you awake and working hard.

With newly acquired wings you would be less dependent on the protective care of your parents and may like to soar higher and higher. And it is best so. For no learning is better learnt than when you fall and learn to get up on your own, and start soaring again, to perhaps become a Jonathan Livingston.

One can always admire the audacity of man in challenging traditions. Not that you should be devoid of self discipline, but yes, you should do things differently. This is the only way innovation takes place. For basic foundation building, a uniform code is always welcome. But after a certain age, armed with the wherewithal to brave all that life may throw at you, you can jolly well say to yourself : I am rational but can also think out of the box, against age worn norms and mores, and voila!! you will surely do some magic, perform some miracle!

Having spread out all over the world and being equipped by your teachers with the right tools, you all are going to be success stories. You will be our goodwill ambassadors, bringing laurels to your alma mater.

I am happy that the school alumni directory is being compiled. It will help you in networking with your friends. Though care has been taken regarding correctness of all contact details, please update your own or your friends' addresses. The directory will thus keep evolving. I would ask you to select at least 2 existing students of the school and mentor them. We also hope to expand alumni activities in coming times.

Keep the flag of Sat Paul Mittal School flying high. And, always stay hungry, stay foolish.

Godspeed and God bless.

## MESSAGE FROM THE PRINCIPAL

“When your roots are deep, there is no reason to fear the wind”

The strength of an institution lies in the hands of its students – past as well as present. As education institutions inevitably thrive to continue providing the best education possible, the voices of its alumni are invaluable to ensure that a school’s mission is understood, sustained, and empowered as it grows.

It has been observed over centuries that every human being that existed before us paved a path for us to climb and eventually reach where we are today. That is the very role of the alumni of any institution. They are the trendsetters who leave a trail of footsteps for the younger generations to accomplish success. Their examples and their words work as a motivation for many to achieve big in their life and lead their own way to success.

We are proud to release the Alumni Directory which is just a springboard to a network of multiple generations of alumni who share the common bond of Sat Paul Mittal School experience. The illustrious journey of our institution is because of our dynamic students and this directory will give an opportunity to a new entrant to leverage the shared history they have with thousands of alumni and students to expand their professional and personal networks.

Meet new people and open new doors – for yourself and others!
