

### **Nurturing Future Marshals @ Sat Paul Mittal school**

Hard work coupled with dedication and devotion for sure is the only key to success. Sat Paul Mittal School has become a paragon in providing the best education to its students. Future indeed belongs to Kanav Jain of class XII who has made his Alma mater proud by scoring All India Rank 167 and City Rank 2 in the Joint Entrance Examination (JEE) Main 2017. Out of total 10.2 lakh aspirants, around 2.20 lakh students have qualified for JEE Advanced exam to be held on May 21. Kanav aspires to get admission in Indian Institute of Science (IISc), Bangalore and wants to pursue B Sc. Physics. Fond of playing table tennis and computer games, Kanav credits his success to his teachers and parents. Adhering to its school motto 'Learning without limits', Sat Paul Mittal School looks forward to continuously benchmark with the best in the world as it works towards producing Satyans who are well-rounded personality and compassionate imbued with strong sense of self-worth, and confident to take on life's challenge as they traverse the long and interesting road ahead. Kudos!!!
