

Retro Font workshop

Sat Paul Mittal School organized a workshop for class II on Doodling and Retro Font for classes II -V on 10th October, 2018. Doodling is a mindful art form with a limitless array of designs and styles

that provide you with a little zen at the same time. The workshop inspired them with great ideas and easy techniques that would show how far they can take their doodling and how to make it a mainstay in their art repertoire. Satyans taught , learned and enjoyed alot.
