

Satya Bharti Visit Class III

School firmly believe in collaborative learning so different hands on activities using marshmallows, dumb charades and clay were done to teach concepts of math, social studies and English. It was a treat to watch the little Satyans helping other students in performing the activities and learning. They learned the values of compassion and self-reliance. Satyans learned, taught and enjoyed a great deal

Sat Paul Mittal School leaves no stone unturned when it comes to the holistic development of its students. Keeping in league with this philosophy a visit for the Satyans of Class III was organized to Satya Bharti School , Hussainpura on 11th October, 2018. We at Sat Paul Mittal
