

## Christmas Celebrations @ Sat Paul Mittal School

Sat Paul Mittal School celebrated Christmas on 24th December, 2018 in the Mittal Auditorium. The auditorium was decorated well in sync with the theme of the celebrations. The auditorium was transformed into a magical winter wonderland with twinkling Christmas trees, stars, wreaths, stockings. The Christmas tree set up was filled with colourful stars, shining moons and gifts tied to it. Joy and Happiness was in the air. The students presented a cultural extravaganza on the occasion depicting Christmas through the beautiful streets of London. It started with a soothing prayer to Jesus Christ.

The show began with a Christmas Parade representing the traditions of the country and bringing the people together. The Satyans further dazzled up the stage with an amazing act through hula-hoops and skates. A play was also presented by the students of class IV which gave the message that Christmas is all about sharing and loving rather than giving gifts or having parties. It aimed that Christmas is the best time to share our hopes and dreams as a family. The carols in the middle of the play were totally mesmerizing and soul stirring. This seasonal atmosphere was made all more special by Inter House Carol Singing competition and Satluj House won the competition. The show ended with a Grand Finale in the form of a dance performance on Christmas songs which was a befitting end to the celebrations. The charitable spirit and the Christmas cheer were evident on every student's face. The celebrations came to an end with the bursting of confetti and the pop-ups.

Ms. Neha Sehgal, Head Junior School, Sat Paul Mittal School also appreciated the hard work put in by the students and proposed a vote of thanks by presenting a small token of love and appreciation to the teachers as well as the students.
