

## ***SANWAL KAPOOR BROUGHT LAURELS TO THE SCHOOL!***

The students of Sat Paul Mittal School visited the Indian Science Congress held at Lovely Professional University (LPU), Jalandhar on 4th January 2019. The theme of the 106<sup>th</sup> Indian Science Congress was 'Future India is Science Technology.'

Our student Sanwal Kapoor of class VIII-A has been honoured with First Runner up Trophy in

Science Gallery. There were around 20 Schools which took part in the competition. It's heartening to see our young Satyan standing proudly holding his trophy.

Prime Minister Narendra Modi inaugurated 106<sup>th</sup> edition of Indian Science Congress. Many competitions were organized by LPU like Science Gallery, Science Extempore, Science Quiz, Budding Scientist Challenge, Water Rocket etc. The competitions targeted 10-17 years of children for carrying forward innovation and research in science to a next level. Satyans also had an opportunity to listen, interact with eminent scientists and Nobel Laureates.
