

*SAT PAUL MITTAL SCHOOL ORGANIZED FORM ASSEMBLY OF  
CLASS PRAVESH VATIKA*

In an endeavour to promote the ability and acumen to become team players with right blend of collaboration and cooperation with strong moral fiber, the students of class Pravesh Vatika of Sat Paul Mittal School on January 25, 2019 presented a Form Assembly.

The Satyans accorded a floral welcome to the guests which was followed by the lightening of the ceremonial lamp. The little Satyans mesmerized the spectators through a skit coupled with music and dance performances, wherein, they depicted a meaningful message from the life of Lord Ganesha. The little Ganesha threw the audience into a fit of laughter by his cute and comical gestures. The message of humility, humbleness and love was evident from the performances. Sat Paul Mittal School believes in 100% participation of students and this was aptly proved by presenting this show where all the students of Class PV showcased their talents. It was indeed a treat for the parents to enjoy the stupendous performance of their wards.

The Principal congratulated the Satyans for their tireless effort and hard work. The programme culminated with the National Anthem.
