

Exploring educational opportunities at United States of America

Education USA Centre, U.S. Department of State network organized a stimulating workshop at Sat Paul Mittal School for the students of Classes XI and XII on 27th March, 2019. In an endeavor to help students aspiring to pursue higher education in United States of America, Sat Paul Mittal School hosted the awareness session for the Satyans. Michigan State University and University of Minnesota were also a part of the event. Ms Megha Yadav, Advisor Education USA provided unbiased, accurate, current and comprehensive information to the students who are interested in pursuing higher education in the U.S.

The workshop was set up with the aim of giving Satyans an insight on the criteria and requirements that need to be reached in order to study in the United States. Ms Megha along with University officials, Ms. Amber Longtin from Michigan State University and Ms. Chelsea Keeney from the University of Minnesota discussed the planning process involved in U.S. University admission cycle, components of the application, standardized tests for undergraduate students including the SAT/ ACT & language proficiency tests, essays & letters of recommendation and financing the studies via scholarships.
