

HUNNAR (THE SKILL EXPERTISE)

MAY 2019 JUNIOR SCHOOL

In everyday life, the development of life skills helps the students to find new ways of thinking and problem solving. It recognizes the impact of their actions and teaches them to take responsibility for what they do. The Satyans of grade II-V learnt four important life skills in the month of May - Tying shoe lace, knotting a tie, adjusting a belt and plaiting hair. Each Satyan participated with full zeal and enthusiasm. The boys took plaiting of the hair very positively and volunteered whole heartedly. Indeed, a step towards equal and empowered India.
