

Teacher Conclave- Workshop on Upcoming Careers by Ms. Preetika Sharma

Thinking Ahead, Thinking Beyond: Upcoming Careers

“All the world is a laboratory to the inquisitive mind”.

Day 6 of the Teacher Conclave at Sat Paul Mittal School, was a day of learning and exploring the upcoming career options for the facilitators of Class- XI and XII. The Resource Person, Ms. Preetika Sharma- a Certified Global Career Counselor from Univariety facilitated this insightful and interactive session. A dive into the future careers in the three streams: Humanities, Commerce and Science gave the facilitators an overview on how the conventional careers have transformed and how the future trends with respective jobs, skillset requirement and interdisciplinary subject options needs to be addressed.

The key takeaways for the facilitators from the informative workshop have been:

- Guide students by identifying their key strengths, subject wise.
- Guide students on the varied combinations (interdisciplinary options) available to the students at undergraduate level.
- Guide students to take short term courses and internships to help them map their interest/ preferences to a profession, job they aspire to be in.
