“FEEL THE PRIDE OF BEING THE PART OF SUCH A GLORIOUS NATION”

In order to imbibe the love for the nation and to get introduced to rich heritage of our country, the Showcase for Class Upvan was organized on 2nd August to create awareness about our National Symbols and its relevance, a small role play was enacted by the kids. The primary idea is to give a child an opportunity to participate, exhibit their creative skills, and develop an idea and to improve their confidence levels. They even made lotus using clay. They participated with great enthusiasm and displayed their best ideas and creativity.
