

Artificial Intelligence & Robotics: Bridging the Gap between Academia and Robotics (Future Decoded)

The Certified Session on Artificial Intelligence & Robotics was conducted by Dr Munish Jindal, CEO Hover Robotix for the students of Classes VIII and IX. The students were provided firsthand information on the following topics: Artificial Intelligence, Robotics, Data Science, Data Analytics, AI Curriculum, Human Flight, eMobility Robots, Hologram Cloning FutureTech, Machine Vision, Autonomous Robots, Mechatronics, AI in Medicine, AI in Sports, Self-Driving Cars, AI algorithms - Image Recognition, 3D replications and Humanoids. The session was quite engaging and informative.
