

Sat Paul Mittal School hosted Workshop on Social and Dining Etiquettes

Sat Paul Mittal School is delighted to announce the successful completion of a workshop focused on Social and Dining Etiquettes, specially tailored for students in classes VI to VIII. The workshop took place within the school premises on 23rd April, 2024. The workshop was led by Ms. Monica Dhall, Leading Image Consultant and Stylist, the event featured interactive sessions, and practical demonstrations to engage students and reinforce learning.

The workshop aimed to equip students with essential social skills necessary to navigate various social settings and dining scenarios with confidence and poise. The topics covered during the workshop included introduction to basic social etiquette: The importance of greetings, introductions, and polite conversation, Dining etiquette: Proper table manners, use of cutlery, and navigating formal and informal dining situations, Respect and consideration: Understanding the importance of respecting others' personal space, opinions, and cultural differences, Digital etiquette which included guidelines for responsible and respectful communication in the digital age, including social media and online interactions.

The Satyans expressed their appreciation for the workshop's content and interactive format, recognizing its value in fostering positive social behaviors and confidence among students. Sat Paul Mittal School always remains committed to providing holistic educational experiences that empower students to thrive academically, socially, and emotionally.
