

**Sat Paul Mittal School as a thought leader of future has carved a niche for itself  
by being selected as the official centre for AP Exam Centre**

Sat Paul Mittal School has been selected among 16 centres in India and second centre in Punjab, Haryana, Himachal Pradesh and Chandigarh by College Board as the official centre for Advanced Placement i.e. AP Exam centre. Sat Paul Mittal School is one of the very few schools in the country to offer its children an Advanced Placement Exam Centre. By becoming a test centre, Sat Paul Mittal School will not only help connect motivated students to the AP, SAT, PSAT Subjects tests and associated college planning resource but also unlock opportunities for the students in and around Ludhiana to study in esteemed universities of United States for higher education.

Advanced Placement (AP) is a program in the United States and Canada created by the College Board which offers college-level curriculum and examinations to high school students. American colleges and universities may grant placement and course credit to students who obtain high scores on the examinations. Students with AP scores get an extra weightage to their university applications and may even avail scholarships for higher studies abroad. The exam patterns are such that they develop critical thinking skills, inquiry and problem-solving skills to better prepare them for education overseas.

Taking SAT Test will help the aspiring students to find the right college, the one where he/ she will best succeed and discover the tools necessary to pursue their passion and achieve the career goal. All major universities, in the United States accept the SAT as a college entrance exam. Keeping in mind the need of the hour, the school believes in giving students an extra edge to explore and enhance their skills to compete in the contemporary world.
