

Sat Paul Mittal School conferred with Excellence in Adoption of Creativity Award at Virtual Adobe Education Leaders Summit & Awards 2020

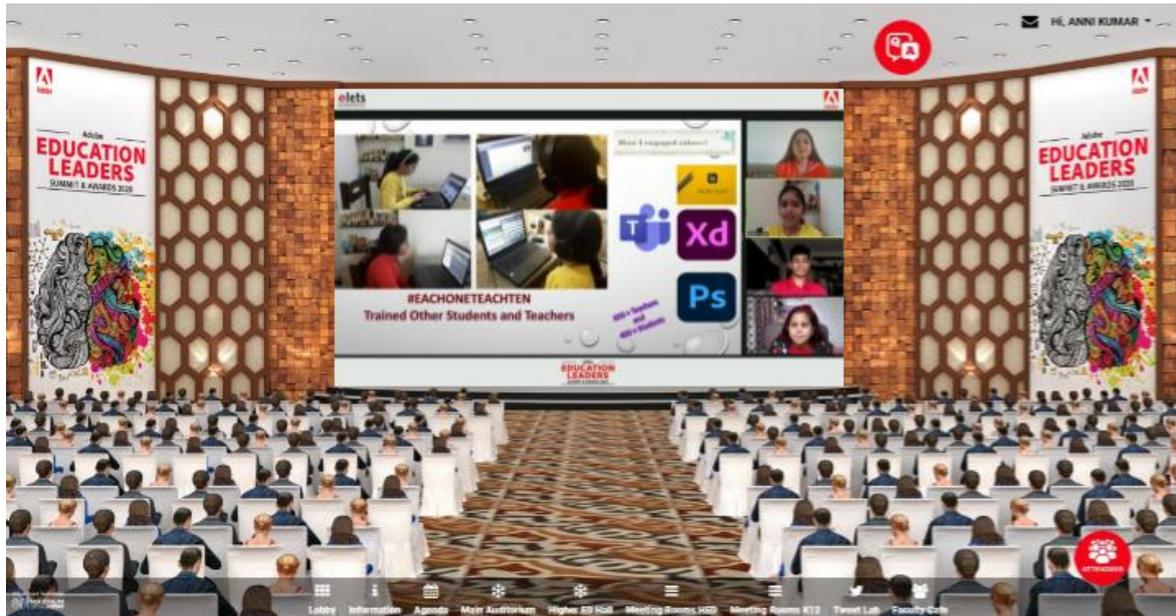

Sat Paul Mittal School has been conferred with Excellence in Adoption of Creativity Award at Virtual Adobe Education Leaders Summit & Awards 2020. In an event held on September 26, 2020, Sat Paul Mittal School was once again recognised as a leading institute for cultivating the desire of learning and fostering creativity among children by adopting innovative techniques.

Adobe India, in association with Elets Technomedia, held four key sessions led by renowned educational leadership researchers, industry experts, and government dignitaries. It covered different and important aspects of “Reinventing Education Leaders with Creativity and Innovation” in the 21st century. Each session was designed to cater to various stakeholders involved in education at different levels.

A large number of universities, colleges and schools from India and abroad represented by

Top Management, Principals and NGOs participated in this Education Leadership Summit. The delegates were experienced educators from different sectors of education and authorities in their respective fields of expertise. Namyra Joshi, Grade VIII Satyan of Sat Paul Mittal School also participated as a speaker.

She shared her experience of being an Adobe Creative Ambassador, India about how she grew inclined towards STEM and how using the Adobe Tools unleashed her creative thinking skills, training other fellow students and teachers to use these tools to make learning fun in their classrooms.

Various sessions during the Summit focused on innovative developments and best practices in education today in areas of creativity, methods for student assessment, classroom innovations, teacher training, and alternative methods of imparting education, all of which would aid our progress towards reinventing education for better learning.

Ms Bhupinder Gogia, Principal, Sat Paul Mittal School, on receiving the award said, “The achievement of the school is a validation of the vision and commitment of the Management and the efforts put by the teachers to be institution of excellence over the past decade to provide an enriching school experience to the students. The award is a testimony of the energy, synergy and path breaking ideas that takes the school forward.”
