

Buddy Reading Program by the Buddy readers of Class II for the tiny tots of PV-I

"Great stories happen to those who can tell them."

Satyan Initiative "Buddy Reading Program" was conducted by the Buddy readers of Class II for the tiny tots of PV-I with the aim of enhancing their reading skills, fostering social interaction and creating an enjoyable learning experience. The Buddy readers used expression, props and discussed the story's content and events enhancing their comprehension skills. After completing the story, they engaged in discussions with the listeners resulting in improved positive social interactions.
