

## Workshop on Enhancing Pedagogical Practices Effectiveness

An insightful workshop on Enhancing Pedagogical Practices Effectiveness was conducted on July 1<sup>st</sup> and 2<sup>nd</sup>, 2024 by Ms. Chitra for the teachers of Sat Paul Mittal School. The session focused on transforming assessment strategies and enhancing educational approaches to elevate students' cognitive skills from Lower Order Thinking Skills (LOTS) to Higher Order Thinking Skills (HOTS). Ms. Chitra emphasized the need to move beyond traditional rote learning and application of knowledge, allowing room for creativity wherever possible. She highlighted innovative assessment methods designed to foster critical thinking, problem-solving, and practical application. Teachers participated in a hands-on session during which all queries were thoroughly addressed.

The workshop featured a series of engaging demos and hands-on activities, allowing educators to learn through direct experience. It emphasized active participation, fostering a deeper understanding of innovative teaching methodologies. Each demo was designed to illustrate key concepts, encouraging teachers to apply their knowledge in real-time scenarios. This approach not only enhanced their learning experience but also equipped them with practical strategies to implement in their classrooms. The workshop successfully combined practical application with theoretical insights, making it a highly impactful educational event for the teachers.
