

Form Assembly of Class VI held at Sat Paul Mittal School 'Strong Moral Fiber'

"The abundant life comes to those who are honest and do the right thing" was the thought instituted in the Form Assembly of Class VI held on 8th Aug, 2024 at Sat Paul Mittal School, Ludhiana. It featured an original musical trip that had the audience laughing heartily at its anecdotes.

Ms. Bhupinder Gogia, Principal, Sat Paul Mittal School graced the occasion as the Chief Guest. Satyans extended a heartfelt welcome to the revered guests, heads and the worthy parents. It was followed by the lighting of the ceremonial lamp amidst the chanting of Ved Mantras.

Through the story "Willy Wonka and The Chocolate Factory," the Satyans skillfully demonstrated how embracing one's individuality leads to the most amazing beauty and fulfilling existence. The main character, Charlie, provided the audience with intellectual sustenance by emphasizing that if one possesses positive attitude and consistently strive to give it their all, they will undoubtedly overcome setbacks and be prepared for bigger challenges.

The story juxtaposed the characters' positive and negative attributes, vividly brought to life by Charlie Bucket and four other characters. The golden ticket, discovered by Charlie Bucket, set him apart from the other children, who suffered the consequences of their bad qualities during the tour. These characters were taken off the tour and left eternally altered. Charlie, with his gentle and inquisitive character, outshined them all and was rewarded with the chocolate factory as a prize.

The assembly's grand finale was a dance performance narrating Charlie's story, which was visually stunning and enjoyable to witness. The Satyans danced with grace and poise, earning enthusiastic praise from the audience.

Parents appreciated and praised the exhilarating performances put up by the ardent Satyans. As the curtains drew on the celebrations, the Satyans moved ahead with a firm conviction that they will continue to strive together for a more inclusive, democratic, and peaceful future.
