

## Sat Paul Mittal School Ranks No. 1 in Punjab and Excels in Student Leadership Development

Sat Paul Mittal School, a premier Co-Ed day school in India, has once again proven its academic and developmental excellence. At the prestigious 18<sup>th</sup> Annual Education World India School Rankings 2024-25, held from 17<sup>th</sup> to 19<sup>th</sup> October 2024 at The Leela Ambience, Gurugram, the school was ranked the Best School in Punjab and No. 25 in India in the CBSE and ICSE Schools category. Additionally, Sat Paul Mittal School has earned the distinction of being ranked No. 1 in India for Student Leadership Development.

Education World, India's leading human development magazine, has been conducting this comprehensive school rankings survey for over a decade, gathering insights from a broad sample of 8,700 respondents. This includes 5,150 parents, 3,550 education professionals, and representatives from across 34 cities, who rated the top 4,000 schools on 14 key parameters of educational excellence. These parameters ranged from academic reputation, teacher competence, infrastructure, and value for money to leadership quality and life skills education. The survey remains the largest and most reliable school rankings assessment worldwide.

Ms. Bhupinder Gogia, Principal of Sat Paul Mittal School, expressed immense pride in this achievement, stating, "This honor is not only a testament to the school's commitment to its vision of fostering an enriching learning environment but also symbolizes the synergy of leadership development. This consistent prime rank reflects the dedication of our management, the relentless efforts of our faculty, and the active participation of our students in achieving academic distinction and maintaining our school's high standards. This award is not just an accolade; it's a validation of the collaborative spirit and innovative ideas that propel our institution forward."

Over the years, Sat Paul Mittal School has been celebrated for its forward-thinking pedagogy, cutting-edge infrastructure, and strong emphasis on value-based education, positioning it among the most distinguished schools in the country. As a leader in educational innovation, the school remains dedicated to empowering students, ensuring they are equipped with the knowledge, skills, and moral compass required for a bright future.
